## *Why we are different?*

*Caterers Sell you food at inflated prices ~*

*Restaurants are unreliable at best & you have to do  
all the work.~*

### *Corporate Catering Partners :*

*We have been diligently Researching corporate needs  
Since 1998 & designing custom programs around  
those needs:*

*We understand the importance of  
**Time, Reliability , Budget & Impressing the guests***

*We have designed programs for  
small offices ,Airlines, churches, Hotels, Schools,  
Govt. Entities , pharmaceutical Reps &  
many size groups in between*

*Let one of our **catering concierges** introduce your  
office to corporate concierges services ~  
until now this service has only been available to the  
upscale Hotel industry.*
